## Recent Council Actions

At its August 15, 2011 meeting, the City Council took the following actions:

- Approved plans and specifications and authorized advertisement for bid for the Sanitary Sewer and Surface Water Lift Station project. The estimated cost for this project is \$266,000. This project is included in the City's Capital Improvement Program.
- Awarded a bid for the 2011 MSA Street Rehabilitation Project to Northwest Asphalt, Inc. in the amount of \$1,111,501.25. This project will resurface a portion of Tanglewood Drive from Lexington Avenue to Hodgson Connection and Victoria Street from Highway 96 to Mound Avenue. The project is expected to begin after Labor Day and be completed within about six weeks.
- Approved an amendment to the City's Zoning Code that will allow dynamic display billboards at certain locations along I-694 freeway corridor. The ordinance includes language limiting distance between billboards to avoid proliferation of these billboards in the City. The ordinance also includes providing regulation to the visual impact of billboards in residential properties or open space areas.

## Shoreview's Farmers Market

The Shoreview Farmer's Market is held every Tuesday through October 25 from 3:00 p.m. - 7:00 p.m. in the lower parking lot of the Community Center. Mark your calendar for September 6, when the Hot Stuff Salsa Contest will be held. Winners receive a bountiful basket stuffed with ingredients to make salsa.

## Shoreview Community Center Pool Shutdown

The Shoreview Community Center's Tropics Indoor Water Park will be closed from September 6-16 for annual maintenance and cleaning. This annual shutdown period allows for the City to perform preventative maintenance on pumps and filtration systems; and do a thorough cleaning of the entire pool and locker room area. During this year's shutdown, a new filtration system will be installed for the hot tub. The pool will reopen on Saturday, September 17th.

## Fall Cleanup Day Scheduled for Saturday, October 1

The City of Shoreview will host its annual Fall Cleanup Day on Saturday, October 1, from 8 a.m. - 4 p.m. at the Ramsey County Public Works Facility (Highway 96 and Hamline Avenue). Residents are invited to bring the following items:

## Join a Focus Group to Discuss Cable Television

Join in a series of focus groups September 13-15 to discuss the future of cable service and local media.

These focus groups are part of the Comcast cable franchise renewal process for the cities of the North Suburban Cable Commission (NSCC), including Arden Hills, Falcon Heights, Lauderdale, Little Canada, Mounds View, New Brighton, North Oaks, Roseville, Saint Anthony and Shoreview.

They provide a chance for interested community members to learn about the franchise renewal process and to share opinions about future services that could be available to our community through the Comcast cable system.
